ANTICO CASALE

Antico Casale dances with the Carmen brand in a pristine expression of Tuscan romanticism, with as much detail as honesty in its touch and the composition of each small piece. With undeniable warmth, the journey through its pieces embraces us with a sense of countryside and coast, of fire and water, of earth and sun. Its pieces, modular and perfectly designed to coexist with other collections, offer a balance between sophistication and tradition, enhancing the well-being of the spaces they adorn and materializing the spirit of western Italy, which is completed by the decorations and mosaics that adorn this series.

Antico Casale danza con la marca Carmen en una expresión pulcra del romanticismo de la toscana, con tanto detalle como honestidad en su tacto y composición de pieza pequeña. De calidez hogareña innegable, el recorrido por sus piezas nos abraza con una sensación de campo y costa, de fuego y agua; de tierra y sol. Sus piezas, modulares y perfectamente comprometidas con cohabitar con otras colecciones, ofrecen un equilibrio entre sofisticación y tradición, elevando el bienestar de los espacios que visten y materializando el espíritu del oeste italiano, que se completa gracias a los decorados y mosaicos que engalanan esta serie.
