

MUD

Clay has traditionally been present in rustic environments, we can also find it in more contemporary spaces, in combination with other finishes. The secret of your success? Its timeless beauty, the result of limitless naturalness. This material, as an exponent of the Mediterranean style, is the starting point of the Mud series, a collection of 7.5X30 cm format and eight colours, which recovers the traditional way of working ceramics, with digital technology that allows us to personalize each stay, each project, with the appropriate chromatic taste.

El barro ha estado presente tradicionalmente en ambientes rústicos, también podemos encontrarlo en espacios más contemporáneos, en combinación con otros acabados. ¿El secreto de su éxito? Su belleza atemporal, fruto de una naturalidad sin límites. Este material, como exponente del estilo mediterráneo, es el punto de partida de la serie Mud, una colección de formato 7,5X30 cm y ocho colores, que recupera la manera artesanal de trabajar la cerámica, con una tecnología digital que nos permite personalizar cada estancia, cada proyecto, con el gusto cromático oportuno.
